# FloridaWorks

Alachua/Bradford • A Community Partnership

FloridaWorks' mission is growing business and jobs through a skilled work force. FloridaWorks has partnered with several community organizations including the Gainesville Area Chamber of Commerce, North Florida Regional Chamber of Commerce and Arbor Education and Training.

The Gainesville Area Chamber of Commerce has taken on the operational role of Business Services for Alachua County, and has assembled a team to provide convenient solutions to employers for all of your hiring needs. The Business Services team can expedite or improve your hiring process. You can work one-on-one with the FloridaWorks staff to write comprehensive job descriptions, determine minimum qualifications, and establish salary ranges based on local averages.

The FloridaWorks One-Stop Career Center also has the resources to find and match the best candidate for the job. Once job orders are posted on the Employ Florida Marketplace, located at [www.EmployFlorida.com](http://www.EmployFlorida.com), the statewide database is designed to help locate and refer qualified applicants from throughout Florida. We can evaluate your applicants using a variety of assessment tools, including the Florida Ready to Work credentialing program, to measure academic skills, computer proficiency and vocational aptitude. Our staff will screen applicants to ensure your qualifications are met.

Whether you need new employees or want to train your existing staff, call FloridaWorks for all your work force needs.
